The heart of all knowledge lies in the minds of the people. Only at the end of each day will one epitomize his knowledge and accomplishments of learning.

Winning is not everything. Pain and agony are the units in combination that yield vitality and spirit to today's youth. For if the younger generation does not possess the desire to excel, man cannot meet the magnitude of challenge. Either torment or enjoyment will determine and pattern the road of adventure.

No chance? Why there is everything before you. The world yearns for more love, beauty, laughter, and freedom. Its store of wealth is still meagre and its needs are forever growing.

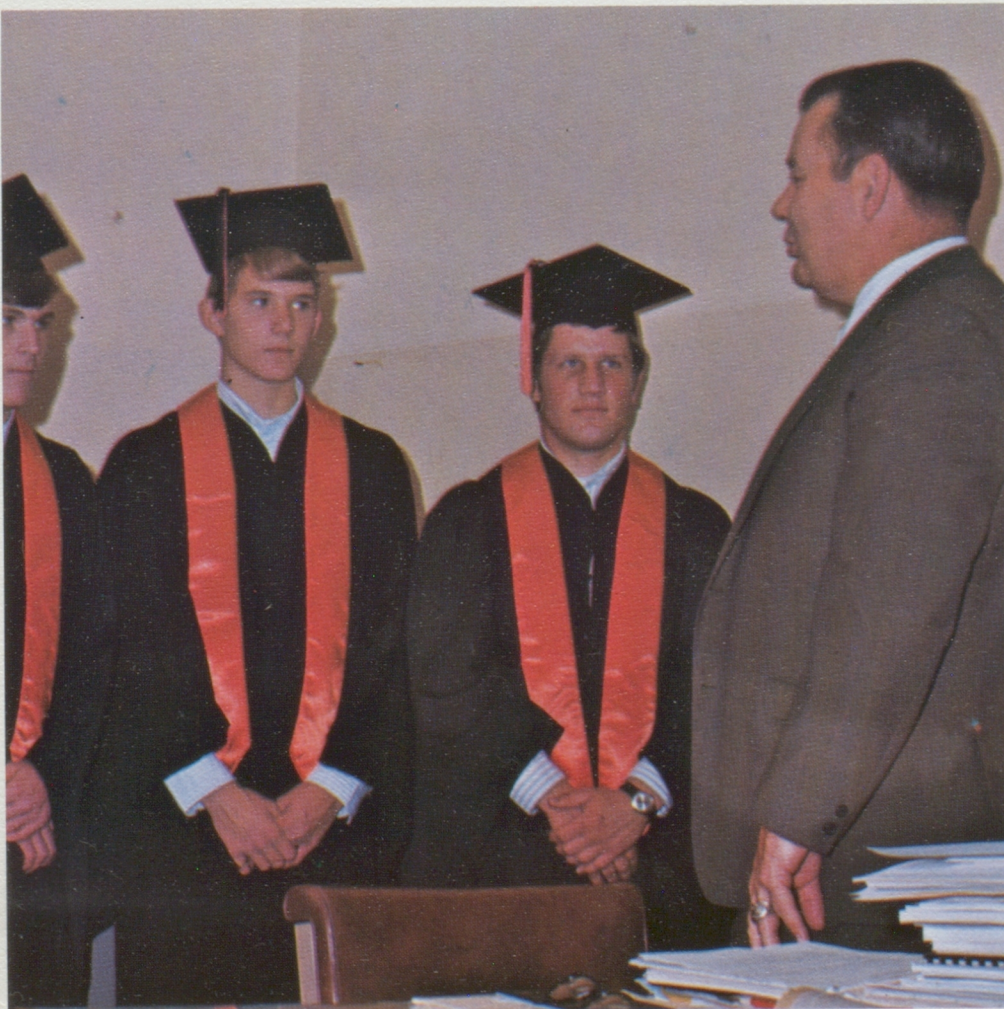

You have been given the opportunity to take your place among the tiny minority of the world's educated men. History will judge you and as the years pass you will ultimately judge yourself, on the extent to which you have used your gifts to lighten and enrich the lives of your fellow men.

Robert F. Kennedy

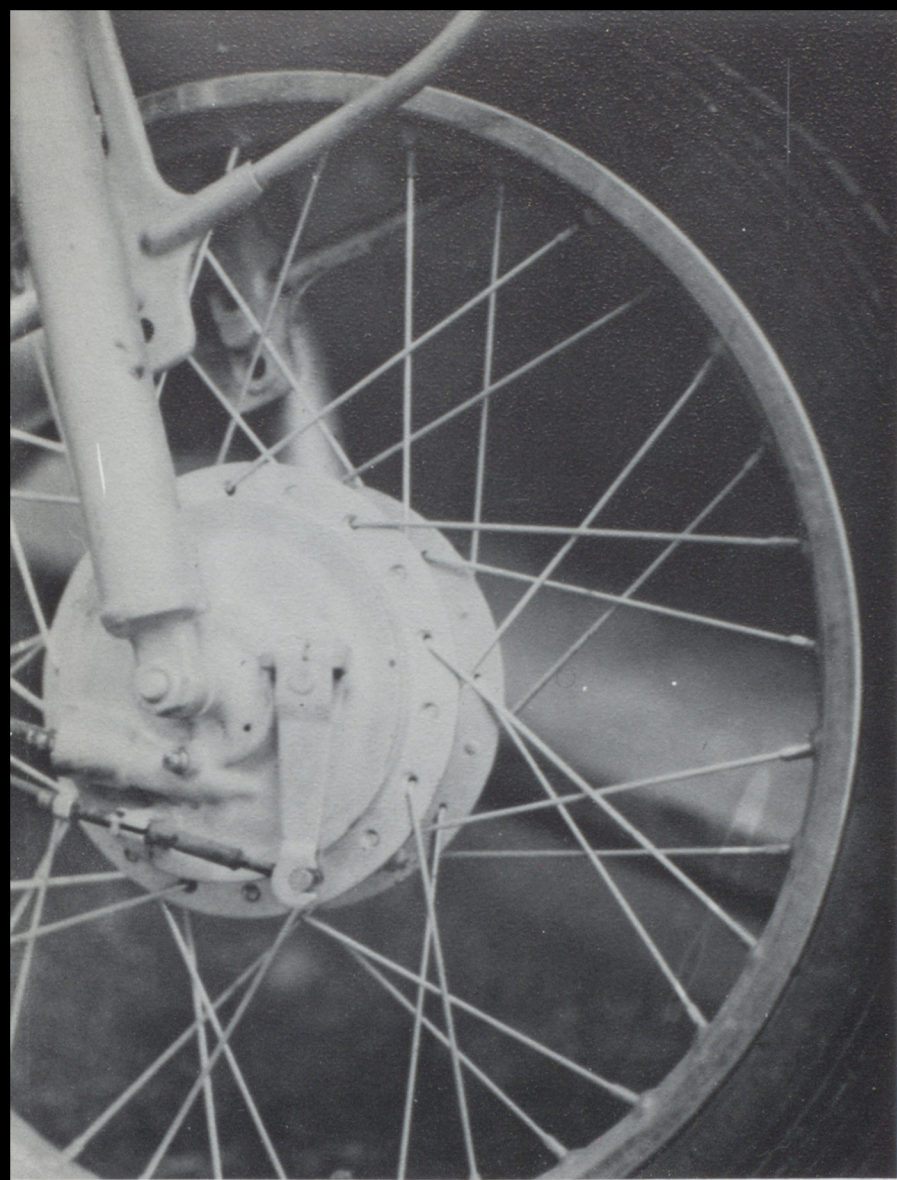

Beauty ... Precision ... Uniqueness ... All different facets of life. One element in the scope of the minority burns in the mind of its inventor ... its Creator. How peaceful nature is. How repelling the world of material diversity. Everything has its beauty but not everyone can see it.

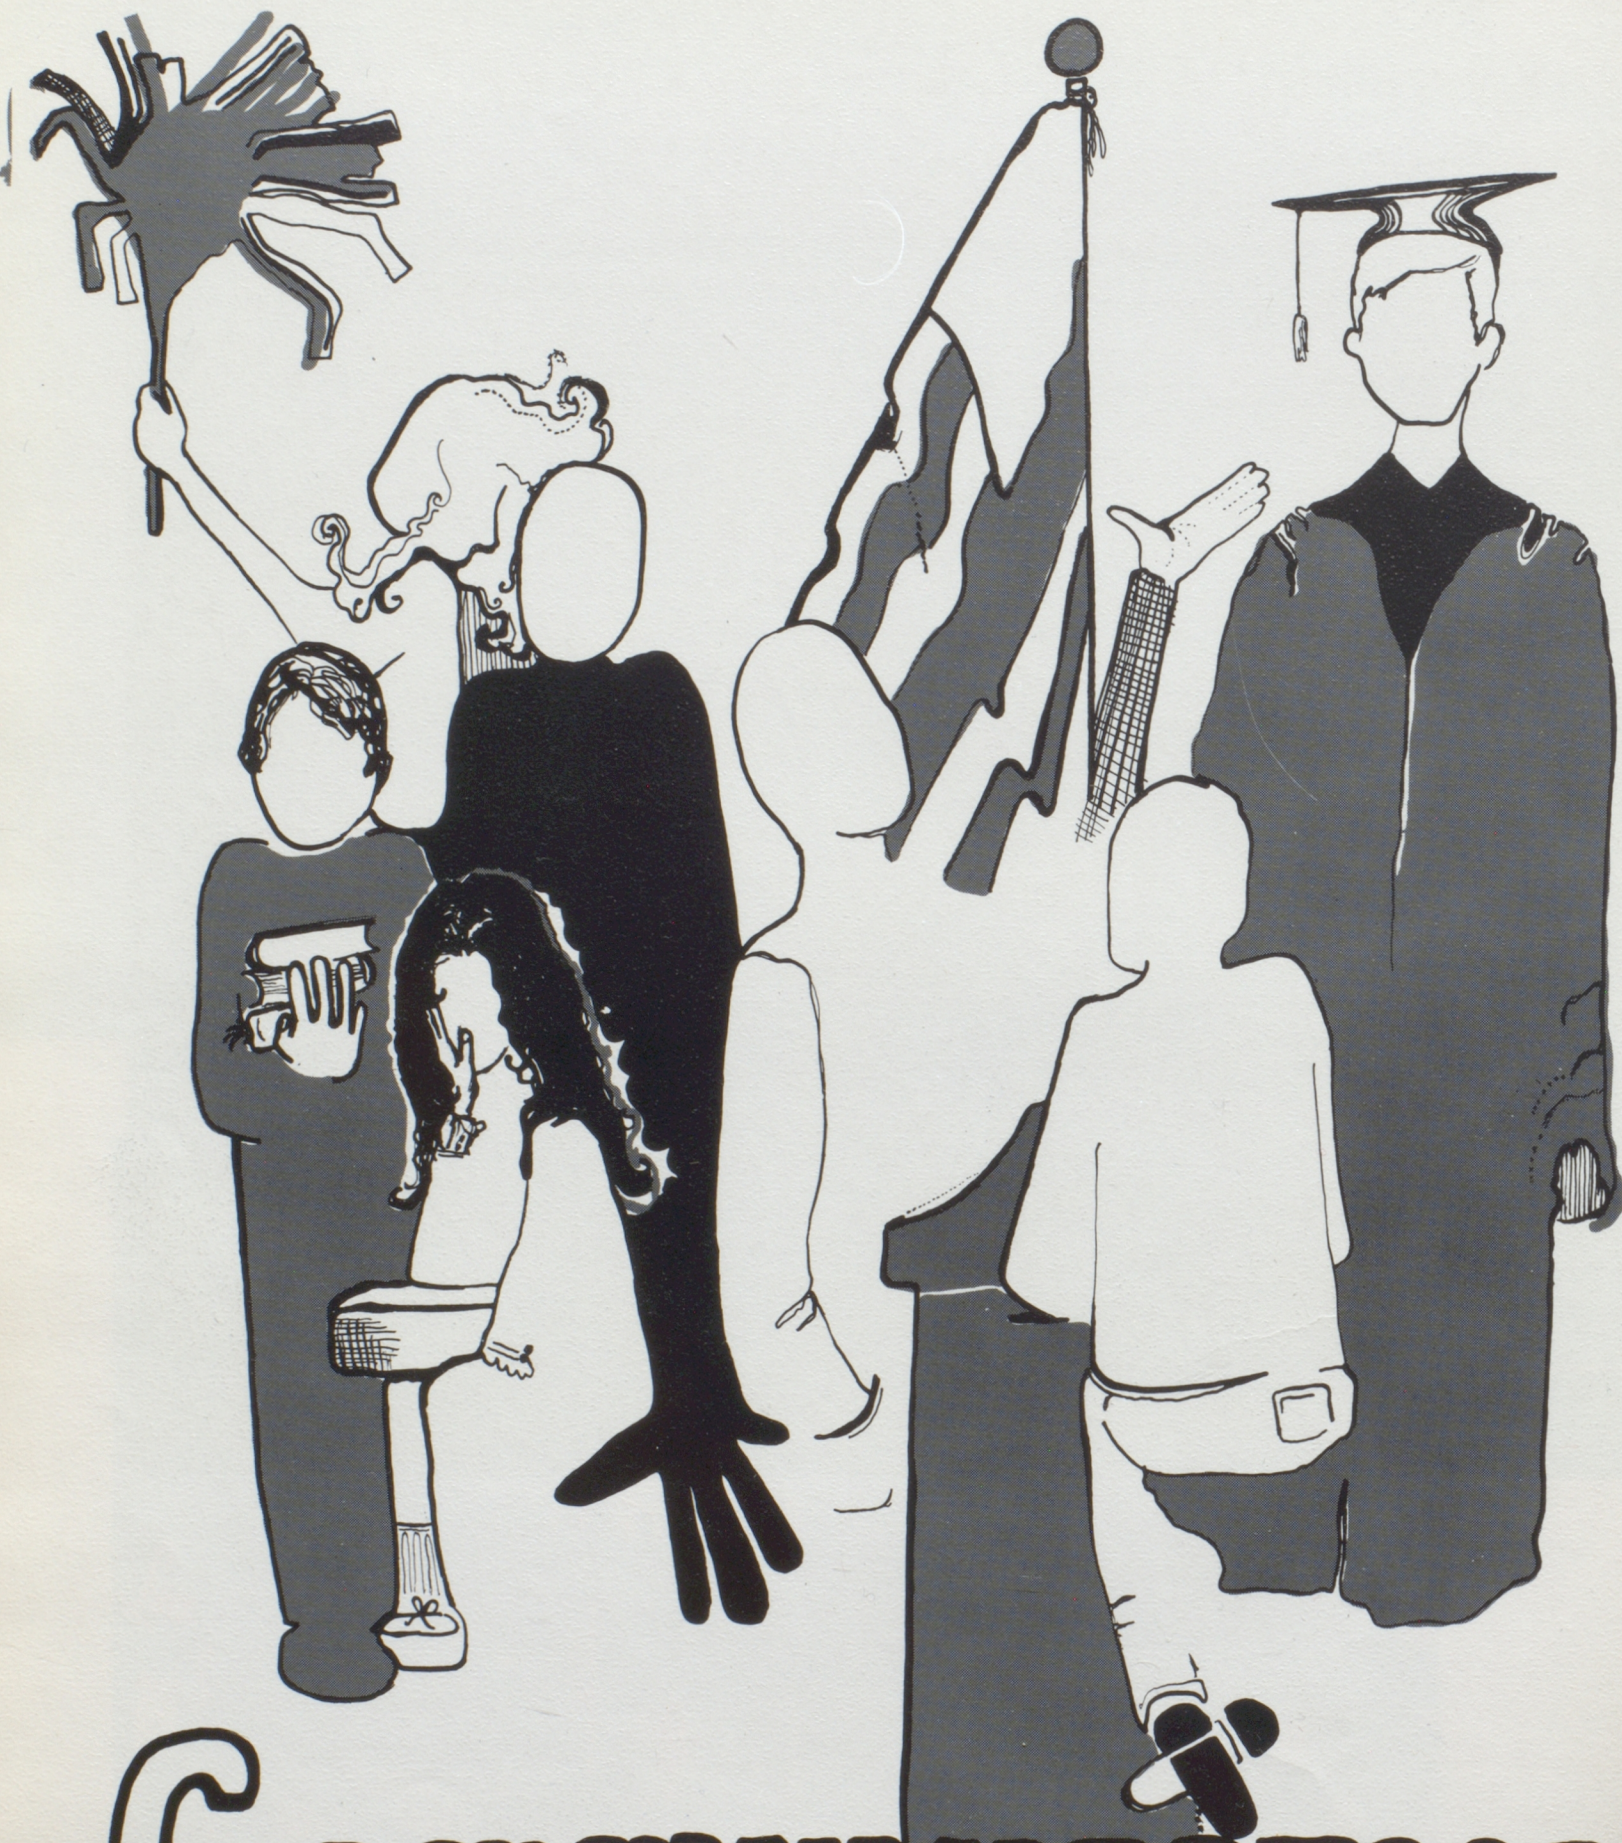

One should hope to achieve the choice and freedoms to go in search of knowledge beyond the limits and boundaries of our complex society. Then, and only then, will he ponder the problems and visualize remedies of his generation's accomplishments.

## Associated Student Fall Semester

Helping to sponsor the Hope-Big Brother Walk, was one of the main projects of the Fall Associated Student Body Officers. Led by President Bob Hansen, the officers combined efforts with other schools to raise money for the two organizations.

Several new committees were formed to bring about parliamentary procedure and new ideas. The most important was the new Appropriations Committee, designed to check the spending of all ASB funds.

Other projects included: providing student bus service to fall football games, and the selling of stamps for student use. Near the end of the fall administration, the council participated in the city hearings held for parking and recreational development under the freeway.

## Spring Semester

Following in the steps of the Fall Semester ASB, the Spring Semester ASB Officers became involved in many state and local issues.

President Dan Close announced that the ASB would actively support any state or local legislature concerning the nineteen year olds' right to vote. Dan also said that the ASB took a closer, more political look at the school levy.

Continuing the efforts of Bob Hansen's administration, the Spring ASB Officers worked towards gaining land under the freeway for an LC parking lot, by presenting their ideas to a local newspaper.

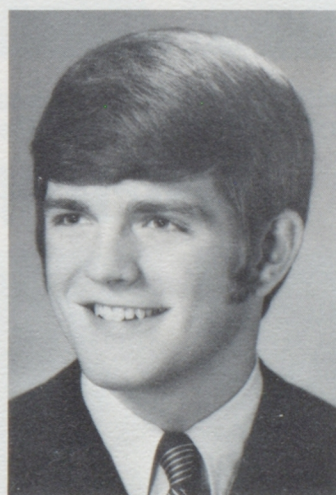

The Council of Presidents attended by all-city and valley ASB leaders, promoted better inter-school relationships. May Week was one of the last activities planned by the ASB. The week of festivities ended with the crowning of the May Week royalty.

## Fall Semester

Early last summer the Girls' Federation Fall Officers began planning the annual Big-Little Sister Party that was held August 28. This was the first major activity of the Girls' Federation and it was soon followed by the Dating Game Con. "King of the Jungle," theme of the Dad-Daughter-Son Dessert, was a joint effort between the two federations. They also competed against one another in the Christmas Penny Drive. The money was donated to needy families in Spokane. The last main event sponsored by the Girls' Federation was the Christmas mixer, "Twas a Night Before Christmas."

## Spring Semester

Many traditional activities were planned by the Girls' Federation Spring Semester Officers. The officers planned a money-making project with proceeds going to a school organization. They also organized the Surprise Con held March 24, the Cotton Day Con, and the Mother-Daughter Tea. Active freshmen and sophomore girls modeled spring and summer fashions in the annual Cotton Day Con which signaled the start of the spring season. At the Surprise Con the Lilac Princess was named to represent Lewis and Clark in the Armed Forces Lilac Parade. Mothers were honored by their daughters at the Mother-Daughter Tea which was held after school in the cafeteria.

## Fall Semester

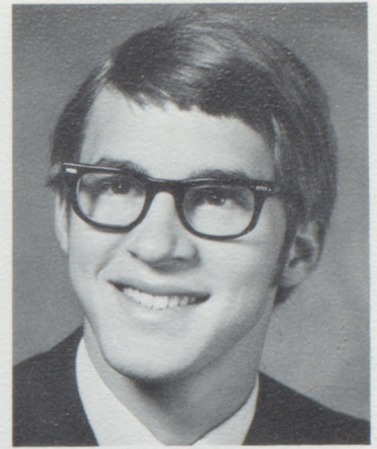

Working closely with the Girls' Federation Officers, the Fall Semester Boys' Federation Officers helped to accomplish many worthwhile projects. By working behind the scenes, under close supervision of general chairman Sue Rihm, the Dating Game Con proved to be another success. President Bob Hindin demonstrated his acting ability by helping Pam Mattox, sergeant-at-arms, narrate and set the atmosphere for the con.

Slides of an African safari were shown by Mr. Kahle to provide the theme, "King of the Jungle" at the Dad-Daughter-Son Dessert held Nov. 5.

Dressed in red Santa Claus suits, Boys' Fed. Officers competed against Girls' Fed. Officers in the annual Christmas penny drive and later that week Federation Officers presented a mixer.

### Spring Semester

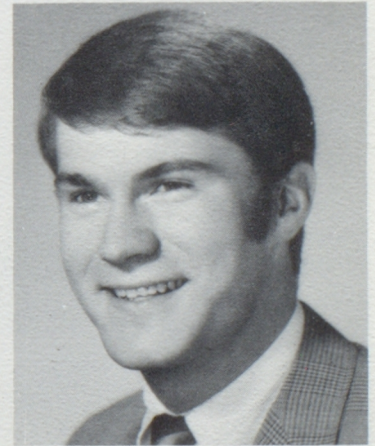

After one cancellation the Boys' Federation presented "The Dean Martin Show," their spring semester project. Mike Malone was general chairman for the con, and he was assisted by Larry Pearson, Mike Schnell, Mark Bledsoe, and Andy Frazier, props and publicity committee.

Mr. George Palmer, adviser for the Boys' Fed., said that there were many minor problems but most of them were centered around the lack of talent and the script which had to be rewritten.

The Boys' Fed. worked with the Girls' Fed. and ASB to establish more practical dress standards for LC students.

A day of confidence.

Being together ... and yet alone,  
Wise ... and yet foolish,

The people who made up this year's TIGER STAFF formed a very unique group. To be on the staff was quite an honor itself, but little does anyone know how much work this group did to put out a \$10,000 224 page-publication. Organization, preparation, spirit and determination all played big parts throughout the year.

Upon the shoulders of the staff, rode the responsibilities of putting out a yearbook that hopefully would appeal to a majority of the students. The staff, made up of individuals from all walks of life at LC, were supposed to put their ideas together. Combining these with an appealing layout, a new and different book was formed.

This year, with the third new adviser in three years, the staff attempted to break away from the old traditional ways of laying out a book. They chose "Freedom" as the theme, symbolizing the start of a new decade and a new method of designing the TIGER. Section editors made small changes in the structure of the book. Whether or not these changes were good and will grow, or if new ideas will emerge all depend on the support of the students and faculty who remain. 1970 TIGER Editors.

Two roads diverged in a yellow wood,  
And sorry I could not travel both  
And be one traveler, long I stood  
And looked down one as far as I could  
To where it bent in the undergrowth;

Then took the other, as just as fair,  
And having perhaps the better claim,  
Because it was grassy and wanted wear;  
Though as for that the passing there  
Had worn them really about the same,

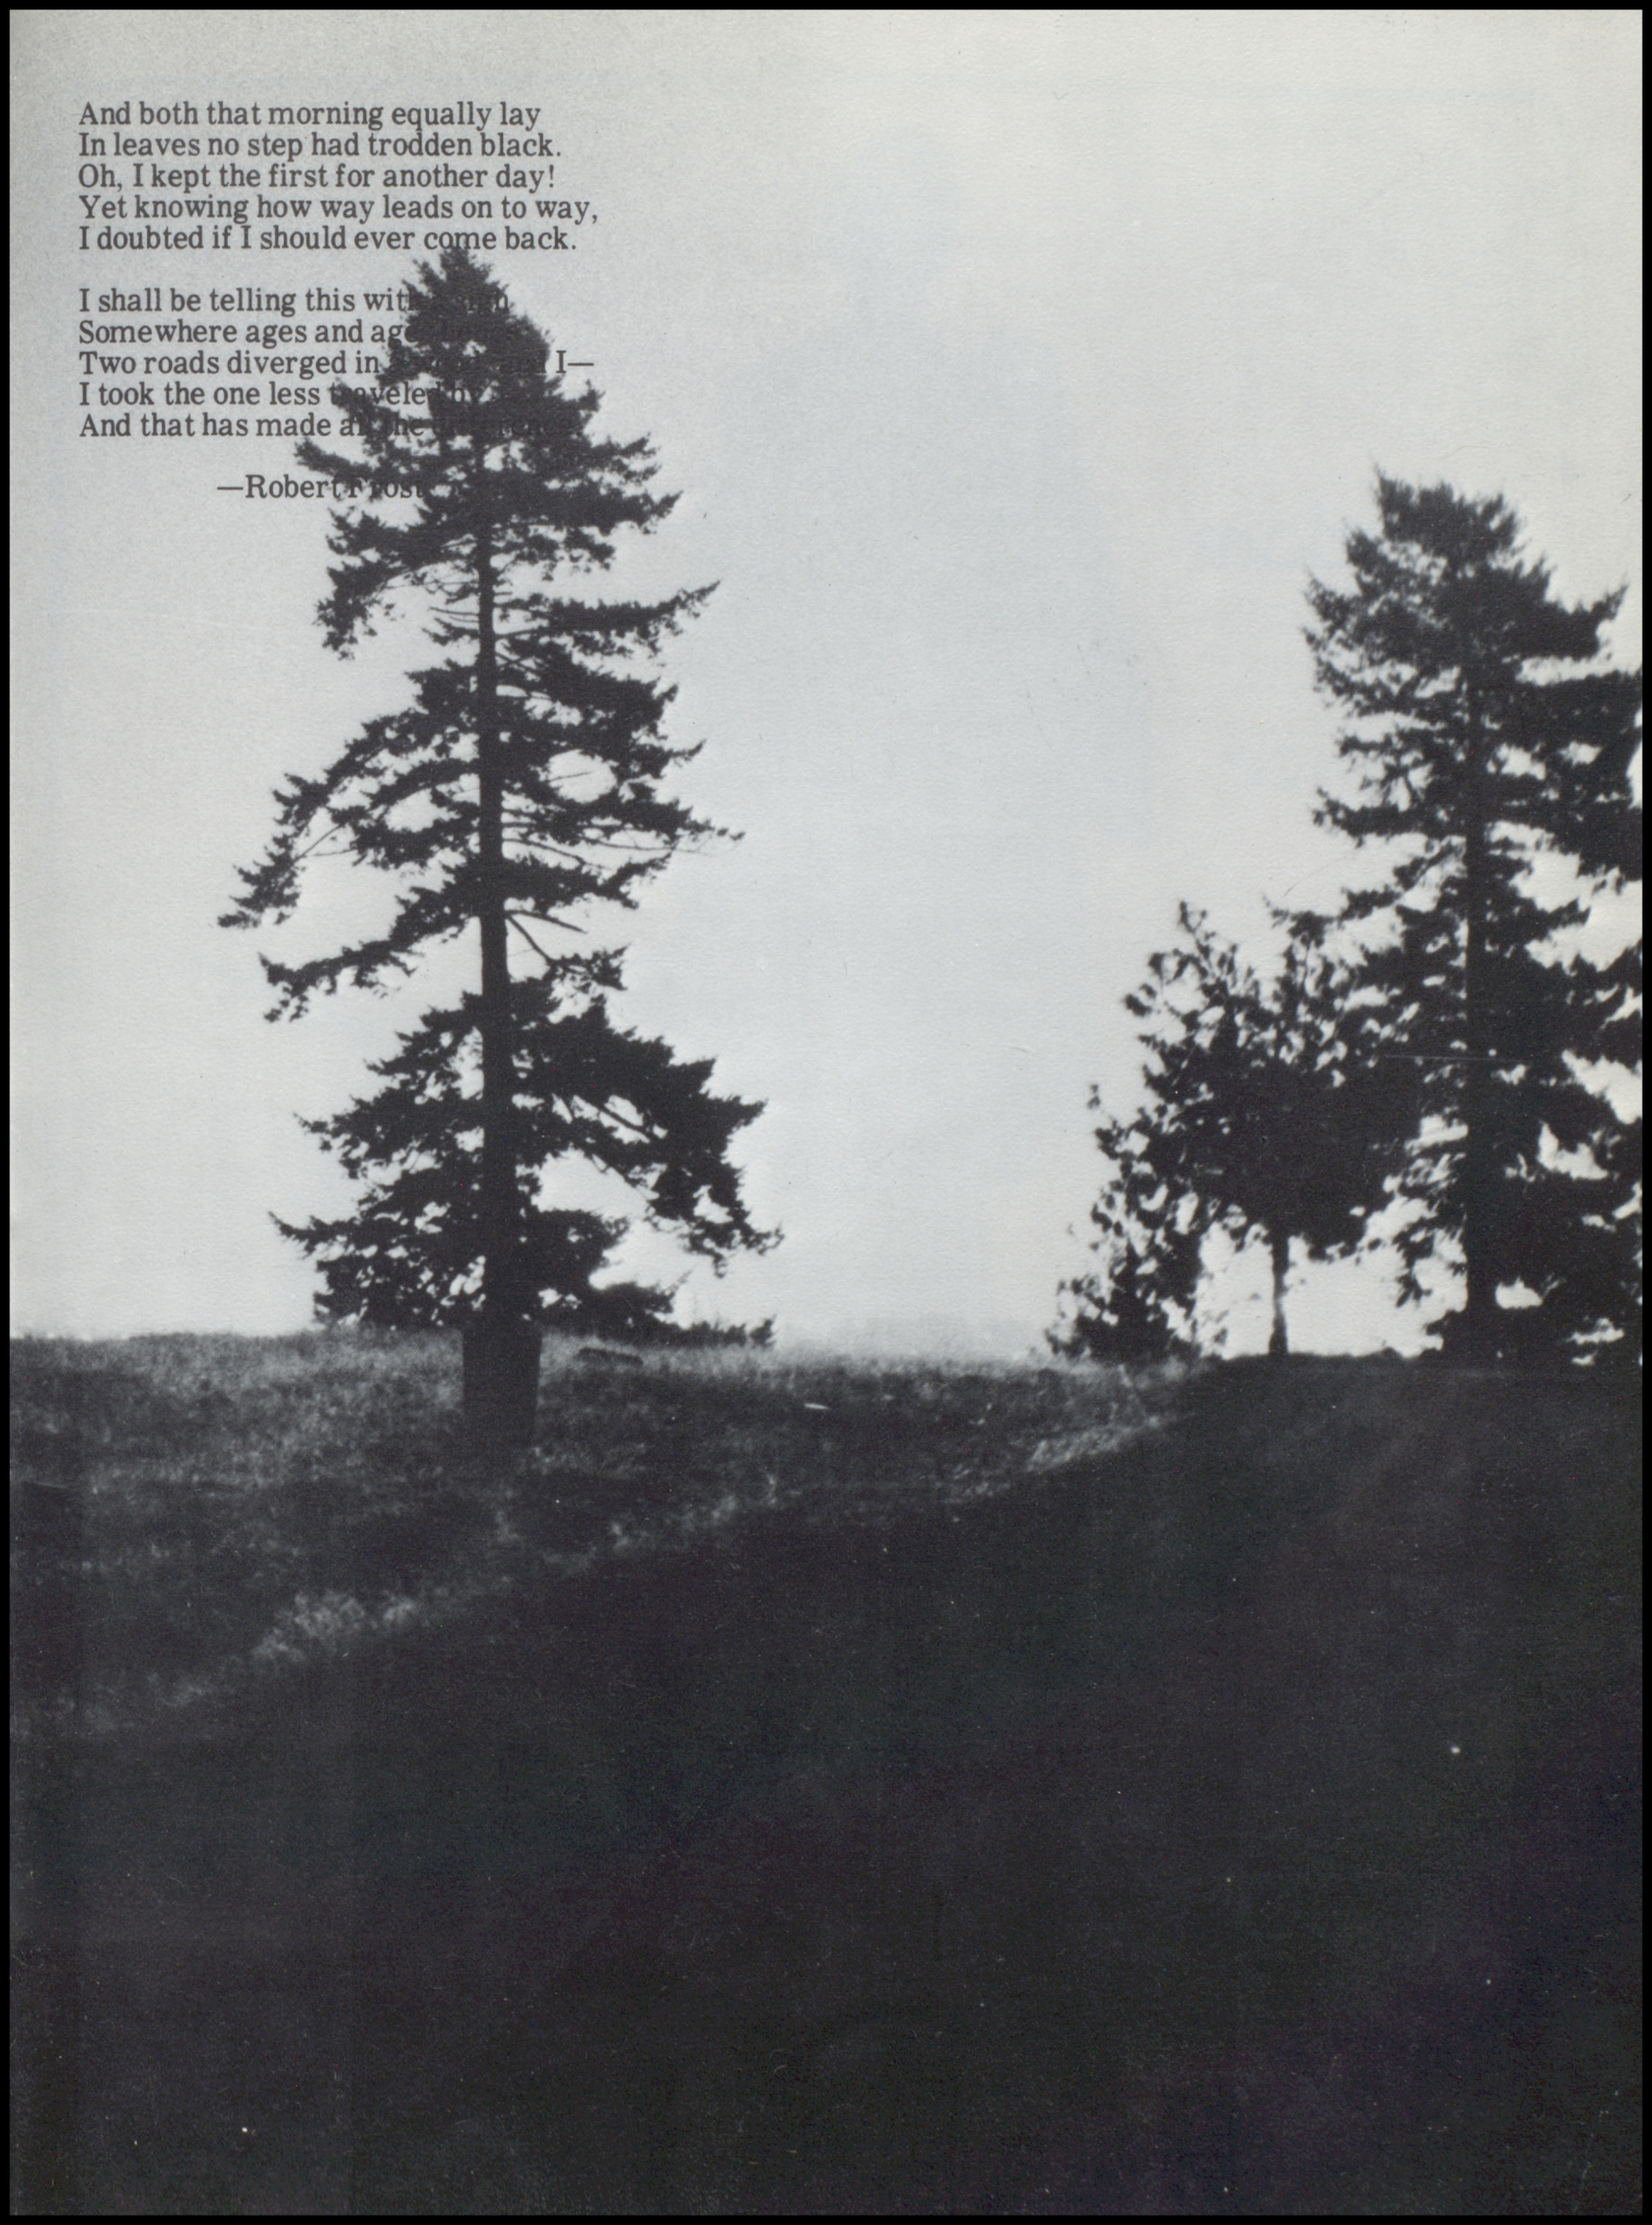

And both that morning equally lay  
In leaves no step had trodden black.  
Oh, I kept the first for another day!  
Yet knowing how way leads on to way,  
I doubted if I should ever come back.

I shall be telling this with a sigh  
Somewhere ages and ages hence:  
Two roads diverged in a yellow wood, and I—  
I took the one less traveled by,  
And that has made all the difference.

—Robert Frost

The Lewis and Clark Varsity Football Team had a good balance between their rushing and passing attack but failed to get the ball across the goal line when they were down within scoring territory. They also had an above average defense. These aspects led them to a tie for second place.

The team faired well in league statistics, as they were third in total yds. (2,385); fourth in yds. rushing (1,637); third in passes attempted (121); and were third in passes completed (54); which came out to a .446 passing percentage, third in the league. They were also the team who lost the fewest yards rushing (137). As for defense they were third in yds. passed against (664); fourth for yds. running against (1,783); which came to 2,447; fourth in the league.

Pat Pfeifer and head coach George Sullivan study crucial play.

Rick Maras shows how he stopped would-be tacklers to become an All-City Guard.

Bob Hansen is downed after catching one of the nine passes he received during the season.

There were some truly outstanding individual performers on the varsity team this year. Ed Ashley, halfback, won the city rushing title with 709 yards and would have done better, but he was troubled by an ankle injury for a few games. Ed was also an All-City Halfback. Other running backs for the Tigers were Bob Denham, junior halfback; John Etter, quarterback; and Rick Nichols, fullback. John Etter took the city passing title with 748 yards and was second in scoring with 67 points. He was an All-City Second Team choice for quarterback. Doing most of the receiving of Etter's passes were Curt Donner, Second Team All-City End; Bob Denham, Bob Hansen, Rick Nichols, and Jon Hurst.

The defense was led by Rick Maras, All-City Guard; Rick Nichols, Hammerslaughtner of the Year and All-City Linebacker; and by junior Steve Sly, All-City Honorable Mention at Guard.

The Lewis and Clark B-Squad Football Team was undefeated in league play this year and there were many reasons why.

They had good depth with the best "round" game ever; they had the ability to get ready for a game mentally and they were excellent academically. They had a great offense with a stable defense to back them up. The line adjusted well to blocking assignments against the variation of defenses in the league. There were some great offensive backs on the team, led by Pete Jakubiak. Deciding on a quarterback was a tough job for Coach Eugene Sivertson as there were three good choices. They were Kerlin Nogle, Jim Travis, and Andy Gilmore.

# Frosh Football Has Rough Season

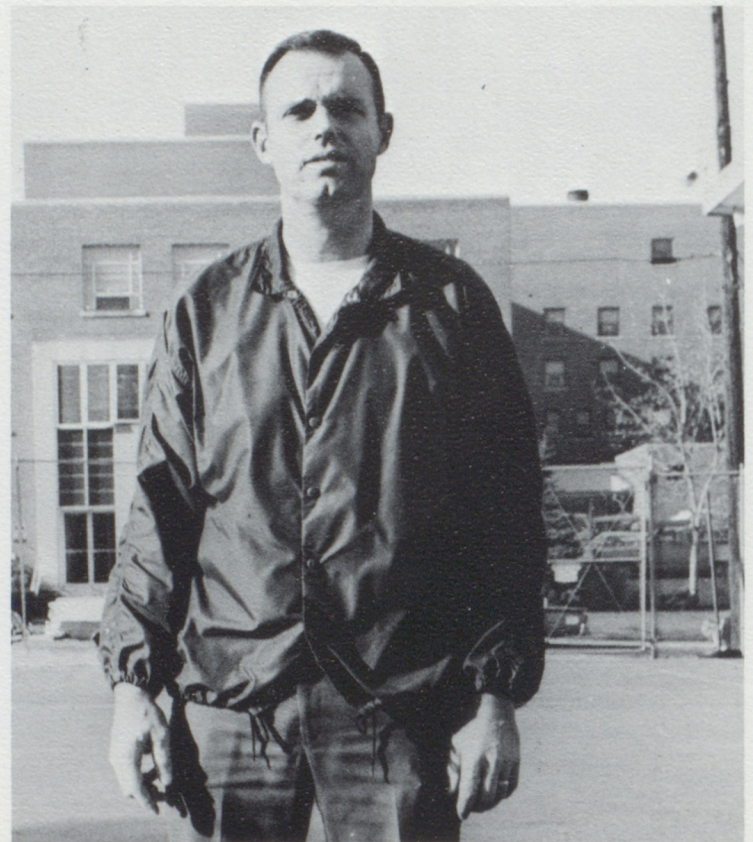

## End With 0-5 Record

Lewis and Clark's frosh football team faced a tough league schedule this year. Inexperience and frustration were the biggest handicaps which resulted in an 0-5 season for the young gridders.

"They were mainly a second half ball club, with an average of two good quarters a game. The best part of their game was that they moved the ball well at times," according to Coach Bob Scott. The team has some good B-Squad and Varsity prospects, especially Rich Powell and Josh Nelson.

The Lewis and Clark Cross Country Team had the youngest and best-balanced team in the state. They finished second to Renton by eleven points at the state meet in November. At the All-City Meet the team took first, as they took five of the first ten places.

The only dual meet loss all season was to Ferris as team leader, Mike Benson, was troubled with the flu. Next year is expected to be more promising as most of the team will return.

They lost only two matches, both to Ferris, and ended with an 8-2 record. In the All-City tournament LC finished in second place.

"We had a well balanced team, with not much difference from number three to nine man. There were only two seniors, Jim Anderson and Ted Kozen, on the team, making hopes for next year great," according to Coach Jay Stopher.

"We have some real promising freshmen and sophomores for next year's team," was the optimistic belief of Mr. Leo Weed, B-squad tennis coach.

Next year, there will be no B-squad girls' tennis team, stated Miss Sonja Roach, who is coach for the team.

"The Lewis and Clark Basketball Team came to play, and did a good job of it," stated Coach Bob Scott. The cagers finished the season in third place with a 5-5 record in the league and 10-10 for overall. They beat every team once and were beaten by every team once in league action.

Their tough defense and great rebounding led them into the District 8 Playoffs. After beating Gonzaga in the first round, they were defeated by University and Shadle Park, losing a chance to go to the Regional Playoffs.

Dave Baker was picked for the All-City First Team, and the captain for this year's team was Curt Donner. There was a tie for Inspirational Award between Randy Gunning and Curt Donner. The usual starters were Corky Lambert, Dave Baker, Randy Gunning, Curt Donner, Chris Camp and Chris Appleton.

Coming from a thirteen point deficit early in the fourth quarter, LC B-Squad took second place behind Shadle, by beating them 56-55 in overtime. Having been beaten by Ferris twice this year kept them in second place.

Starting for the Tigers were Jamie Greene, Mark Sherburne, Rob Watson, John Carter, and Scott Baker, with Lance Powell and Clarke Indahl as alternates. Mr. Jack State, B-Squad coach, also added that Doug Barlow was the most improved player.

Mr. State said, "As far as the team goes, they're the best shooting team for five guys. They all shoot good and they're all good rebounders." He also added that if Mr. Wertz or himself had been coach throughout the season, the team would have been city-champs. The middle of the season was a period of adjustment, but by the end they were a fine group of ball players.

The "B" team finished the season with an 8 win-2 loss record. The only team they couldn't beat was Ferris.

Undefeated in league action, Bob West went on to win at All-City too. Here he gets two points against Ferris.

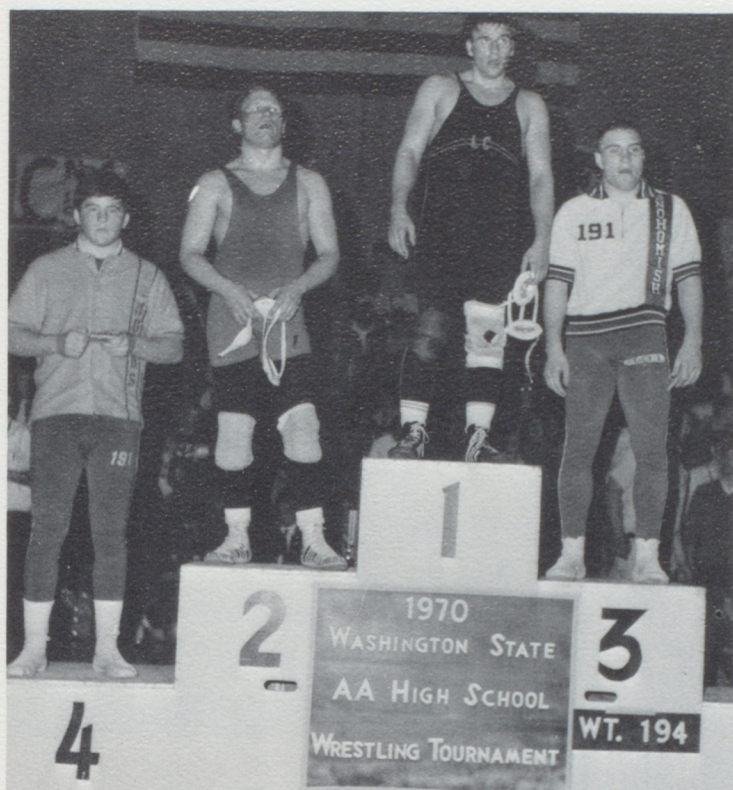

Mark Guthrie prepares to pin his North Central opponent for a LC win in that meet 23-19.

# Money Raised For

## AFS

Limited funds and closure of the adult AFS chapter were reasons LC did not have a foreign exchange student this year. The main activity of the American Field Service was to raise money to support an exchange student in the future.

Judy Campbell and Jim F. Anderson were co-chairmen of the club which took in 25 new members. These initiates gave a potluck dinner for the old members featuring Mexican food.

Row 1: Debbie Carlson, Lori Davidson, Carol Chapman, Shannon Reeves, Dee Colby. Row 2: Barb Hayes, Naomi Kato, Rick Betts, Kerri Derrick, Nancy Ellsworth, Molly Staley, Bill Carson, Margie Wangen. ## Adelante

The Spanish Club featured a dinner at a Mexican restaurant and a candy sale which raised money to contribute to charity at Christmas.

Aside from regular activities of initiate dinners and the annual spring picnic, Adelante, led by presidents Wendy Williams and Pat McRae, witnessed authentic Spanish dancing done by Mrs. Read.

Mr. Read expressed the club's initiative: "Eh Adelante hemos hecho todo lo posible para borrar la ignorancia de los socios en cuanto a la cultura espanola por medio de discursos, transparencias y etc. (In Adelante we have done everything possible to inform the members about Spanish culture by means of talks, slides, etc.)

## Archery

"Our intention is not to develop any Howard Hills, a famous archer, but the kids do feel that this is an enjoyable club," stated Mr. Orlando Fletcher, adviser.

Archery Club, which consists of 20 members, shoots twice monthly in the girl's gym. A spring picnic has been held for 17 years since Mr. Fletcher has directed the club.

Under the direction of Mr. Leo Weed, Architectural Club is established to further the talents of students interested in architectural design.

Mr. Bill Trogdon, a well known architect in Spokane, spoke on preparation involved in a career of building design. A field trip was taken to the Environmental Design Associates to observe the firm's daily routine of work. The club also viewed films and listened to representatives from the building industry.

## Bengal Pep Club

Bengal Pep Club helped to bring an exciting year to sports at Lewis and Clark. The club purchased orange and black beanies which were worn to all sports events.

Working with Girls' Pep Club officers, Bengal Pep President Jim Warrick helped organize their annual spring picnic.

Lewis and Clark Tiger Band has accomplished and helped bolster many activities. With their excellent performances and halftime shows at the football games the Tiger Band followed up the football season with their annual Fall Concert.

The Tiger Band expressed their talent in the 1970 Lilac Armed Forces Day Parade, and other numerous parades. Other appearances included a part in the Greater Spokane Honor Band, basketball games, and pep cons.

The BSA, Black Student Alliance, is a new club that was formed this year. "The purpose of the club is to promote unity between the black and white students," commented Janice Lacey, one of the advisers.

About 45 members make up the group which planned many social events for the year. Mr. Clyde Bell is the other adviser for the club.

## Choir

"This year's choir was the largest since I came to Lewis and Clark in 1953, 116 members. It has been gratifying to me that so many have displayed not only an interest in singing, but a desire to be a member of this group. It has all contributed to a quite successful year," said Mr. Gerald Hartley, choir director.

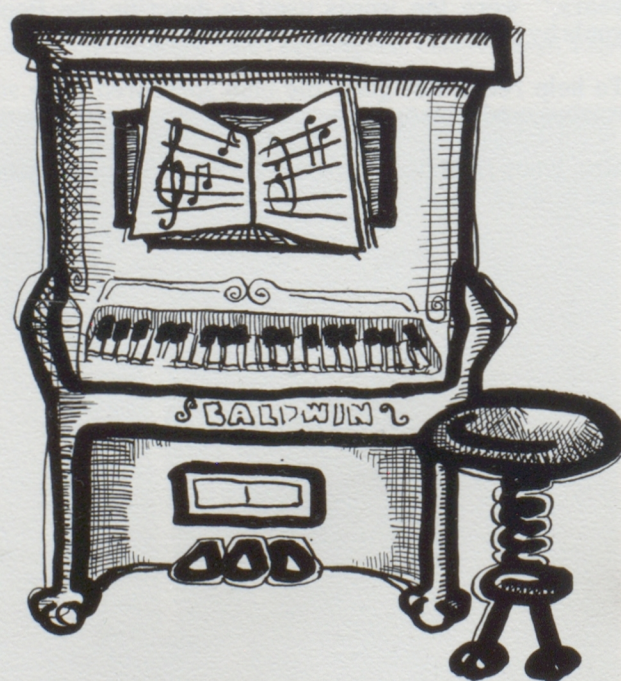

The Fall Concert was presented during the last week of October.

The highly successful traditional Christmas concert this year marked the 19th annual "Festival of Christmas Carols." Mrs. Grace Bartlett again assisted with the presentation of a colorful tableaux serving as backgrounds to many of the songs.

In addition to the Christmas concert the choir again performed its traditional caroling through the halls of the Deaconess Hospital and here at Lewis and Clark.

Two more concerts were presented during the spring semester. An all-choral program in March, and the Spring Concert near the end of May, at which time the choir and orchestra joined to present excerpts from the "Theresa Mass" by Haydn.

The choir concluded its year by singing at the commencement exercises at the Coliseum.

Besides sponsoring a philanthropic project each semester, Dasidrian presents a recital by senior members, a Dad-Daughter Banquet, a spring dinner-dance, and the highlight, Frivolities, the annual musical comedy.

## Das Rheingold

The initiation dinner, the spring picnic, and the Walourgis Night party, which is the German Halloween, all kept Das Rheingold busy this year.

Besides raising the interests of German art and literature, Lynaire Hughes, fall semester president, and Karen Echelbarger, spring semester president, brought in new ideas to the club. One new project was the Christmas caroling party which collected canned food to give to the needy.

Early in the spring all members participated in a car wash to raise money for their picnic.

Because of a lack of experienced debaters, this year's team did not win many debates. However, at the Gonzaga Debate Tournament, Lewis and Clark debaters won 12 out of 15 matches. Mrs. Dora Keigley, debate coach, commented on the Gonzaga Tournament. "We didn't take any prizes, but we were proud of our debating."

This year's resolution was "Resolved: that Congress should prohibit U.S. unilateral military intervention in foreign countries." The team debated every week from October to March in a league which included 14 schools. Pete Brooks, Jim Mahoney, and Andy Frazier offered invaluable help when needed.

## Entre Nous

Members supported some very worthwhile activities. They sent gifts to Spokane servicemen in Vietnam and thirty dollars to starving Biafran children. For a Christmas project the members donated cans of food to be given to needy Spokane families.

A potluck dinner was held for the initiation of new members, and the club constitution was revised. Mr. Skinner, the adviser, had this to say about the club: "Etre conseiller de ces jeunes gens, c'est insupportable mais impayable!" "Being an adviser of these young people is unbearable, but it's a real ball!"

"It's great!" was Mr. Faubion's reply when asked what he thought about being the adviser to Fine Arts Club.

During the Christmas season, members made decorations for the tree in the front hall and donated ten dollars to the Spokesman-Review Christmas Fund. Later the Christmas decorations were put on sale.

An initiation of new members was held in the fall and spring semesters, and an art sale consisting of the members' own works was sponsored in the spring.

An action-packed discussion is typical of Forum Club.

Drug abuse, abortion, sex education, the Mafia, and other problems of America were the issues discussed by Forum Club.

Other activities were a Christmas party where gifts were exchanged, a spring picnic, and an initiation for new members.

When asked to make a statement about the club, Mrs. Wright, the adviser, said: "Our club holds a lot of promise, if we stick to our goals."

## Future Medical Careers Club

Members of the Future Medical Careers Club, originally Future Nurses of America, participated in a joint discussion meeting with Ferris High School's FMCC and had a Christmas party this year.

All club members visited the Beverly Manor Nursing Home during Thanksgiving time. It was one of the most beneficial experiences for all members, according to Mrs. Mildred Schoonover.

Leaders of the club were Lynn Munson for the fall semester and Rick Hagel carried out the duties in the spring. Advisers were Mrs. Mildred Schoonover and Mrs. Dorothy Guild.

## FTA

The Future Teachers of America expanded their tutoring program and attended the regional conference for all FTA chapters this year. Seniors Barb Wimberley, Sherry Boling, and Kathie Parady became teacher aides by helping primary teachers at Roosevelt School.

Other activities included a football sale for TIGER PRIDE, a volleyball game against Senate Club, a pickle sale, and a spring car wash.

Fall semester president was Emi Terao and Barb Wimberley presided over the meetings during the spring. Both officers tried to invite a number of guest speakers to make general meetings more interesting. Several of LC's student teachers described their impressions of the teaching field. Jim Fletcher and Joel Brozovsky prepared mock classroom situations to give members a true picture of student instruction.

Accompanist for Girls' Glee is Paul Emata.

# "Dribbling Into Spring"

## Home-making

Homemaking Club encourages interest in home economics and community life. The philanthropic theme of the club was concerned with the mentally retarded. Two interesting speakers from Lakeland Village and Fort Wright Marian School talked about different aspects of mentally retarded children.

All club members sold cookbooks to raise money. The money was used to finance club projects. Each year Homemaking Club sponsors the "Homemaker of the Year Award." The home economics teachers pick the most outstanding senior in the field of homemaking. The girl who received the honor was awarded a 5-piece setting of sterling silver.

## Girls' Pep Club

Pep Club adds enthusiastic spirit to LC's athletic events. Posters were sold for a money-making project this year. Pep Club also sold Valograms, little Valentine messages sent to students. A dessert was held to initiate new members into the club. "Dribbling into Spring" was the theme for this year's Basketball Bounce, sponsored by the club.

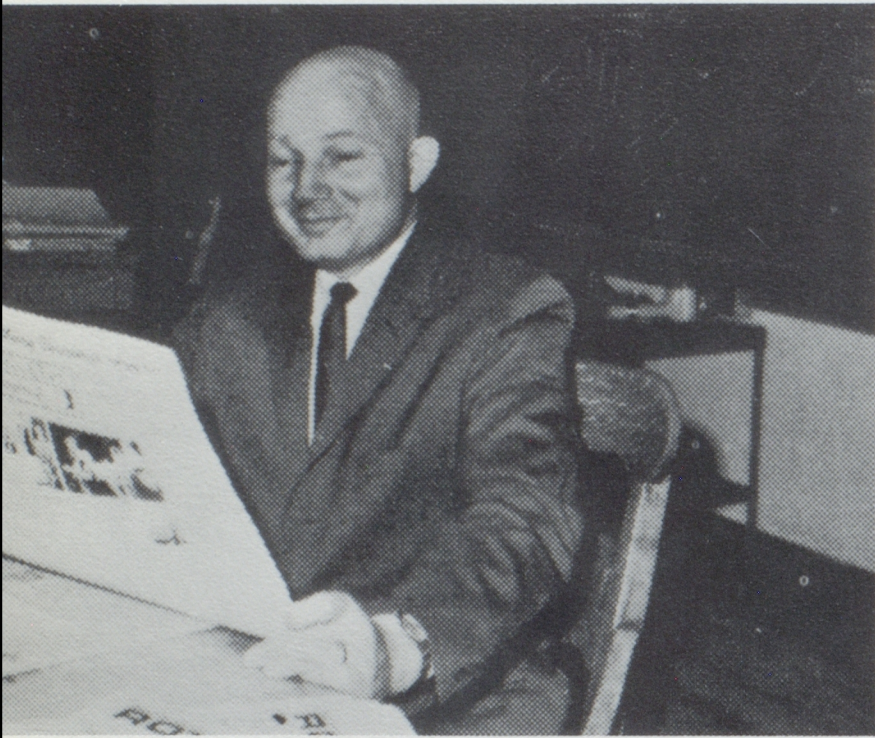

Their new advisers were Miss Cora Berend and Mrs. Carol Carpenter.

Pep Club cheers Tigers on to victory.

Students on the Lewis and Clark Journal Staff acquire practical journalistic training.

They must report and edit the news, layout pages, sell ads and spend time at the print shop working with type. Since the Journal is a self-supporting newspaper, the students handle all business affairs.

Mr. Donald G. Black, adviser for the past 11 years, left spring semester to study at the University of Illinois. He was replaced by Mr. Michael P. Aleman.

Something new that was started during the year was the Lewis and Clark Supplement, a smaller edition of the Journal. The Supplement helped provide students with more news and kept it more timely.

Twenty issues of the Journal were published during the year under the leadership of Arlene Eagle and Janet Burmingham, editors.

## Junior Toastmasters

Among the activities of the Evergreen Junior Toastmasters was their annual mock trial held at the Spokane Courthouse. Spring semester president, Jim Warrick, said some teacher was put on trial with falsified evidence. This year Mr. Tom Cline participated in this trial.

Club members also had an annual Liars' Contest, a volleyball game with Senate Club, and a successful bake sale.

## Junior Executives

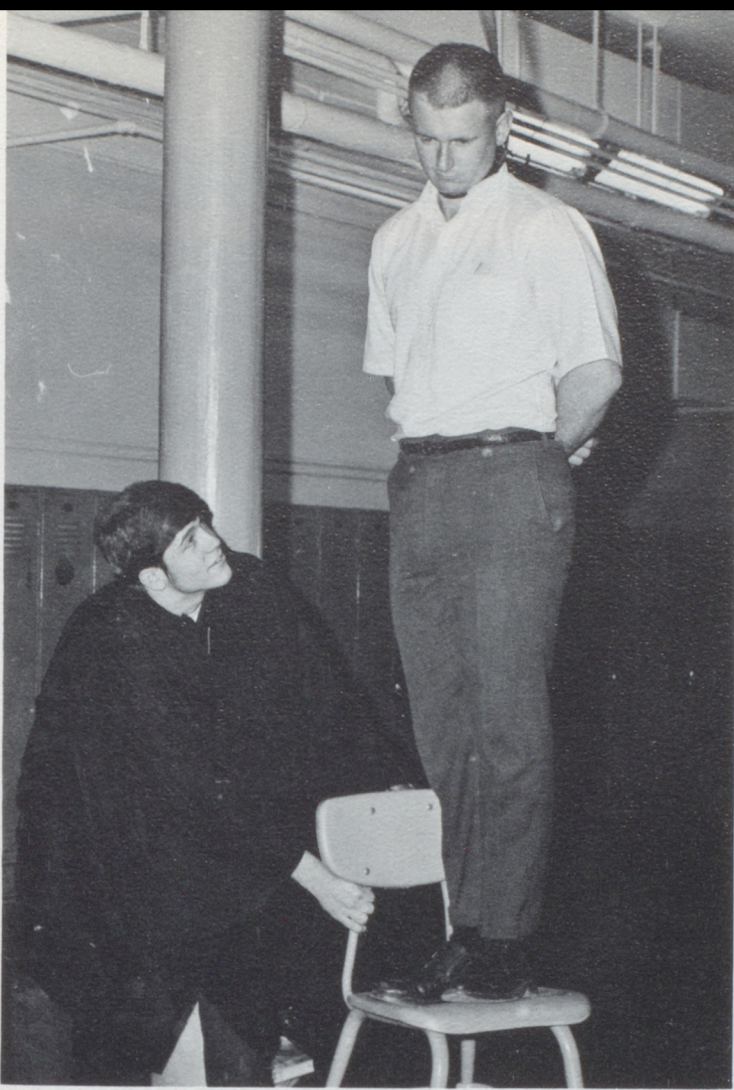

Selling the transcription book, "20,000 Words," was the primary fund-raising project of Junior Executives.

President Bill Carson also organized several guest speakers to talk at club meetings. A real estate salesman and a local insurance agent described their businesses to the club. According to Mrs. Thurley Pack, adviser to Junior Executives, every member benefited greatly from hearing speakers already established in the field of business.

## Key Club

Key Club is a service organization that raises money for charitable organizations in the community. It is a junior branch of Kiwanis Club.

Key Club was engaged in a variety of projects. They sold apples at the WSU-UCLA football game and raised \$50 that was donated to Shamrock Acres, a future boys' ranch. Mr. Harry Lujan and The Lounge received a \$25 donation for Mr. Lujan's fine speeches about the dangers of drug addiction.

The boys came to the aid of Hutton School by helping to run the school carnival and in March members helped sell flowers in the Easter Lily Sale. To finance many of their projects, all members were required to sell mistle-toe.

Lettermen's Club is composed of letter winners in the following sports: football, basketball, track, tennis, golf, cross-country, wrestling, and gymnastics. Led by presidents Dan Close and Jim Warrick, the club presented the fall and spring Lettermen's Banquets honoring the athletes.

Other fall officers were: Jim Warrick, Vice-President; Jack Koentopp, Sec.; Dave VanderMeer, Treas.; and Pat McRae, 5th Exec.

Spring officers were: Chris Camp, Vice-President; Steve Sly, Sec.; Skip Elliott, Treas.; and Curt Donner, 5th Exec.

President Dan Close got his FILL at the Lettermen's Banquet.

## Math

"Math Club is a semi-social organization that meets in private homes to discuss and promote interests and to have a good time doing so," said Mr. Eugene Sivertson, Math Club adviser.

Their major activities included a Christmas Party, the Tri-Sci-Math Club picnic, and various field trips. Every year the club sponsors a math contest in two divisions: Freshman-Sophomore and Junior-Senior. Trophies were awarded for first, second, and third places.

Orpheus talent club is one of the busiest organizations at LC. The members meet twice monthly. The 35 members entertain at PTA's, church and civic organizations, rest homes, the Veteran's Hospital, the Shrine Hospital, and Edgecliff Sanitarium. They have adopted a Golden Age Club at which they entertain bi-monthly. Their talents—music, drama, voice, dancing and instrumental—are as numerous as their activities. For the past two years they have acted as the make-up committee for the Minstrel Show.

## Papyrus

Papyrus is Lewis and Clark's creative writing club. Under the direction of Mrs. Alda Howard, the club encourages its members to write creatively. Two or three times a semester, a student is required to read original compositions at the meeting, and it is then discussed and evaluated by other club members.

Each year Papyrus publishes the Stylus which is a creative writing magazine. It includes poems, essays, and short stories written by students in all English classes as well as from the club itself.

## Japanese Club

Lewis and Clark's Japanese Club obtained knowledge of Japan and its culture through group discussion and guest speakers. A highlight of the year was Mr. Fujiwara, a native of Japan, who presented a Samuri warrior dance and compared the school system of the United States and Japan. Bill Walter showed slides of Japan that he took while on a six-week tour of that country.

The club activities included a fortune cookie sale and a spring banquet featuring Japanese foods.

## Senate Club

Besides learning more about public speaking and parliamentary procedures, Senate Club's varied activities included the first annual Greased Pig Chase, a volleyball game with FTA, and a traditional spring picnic. A mock trial, complete with judge and jury, was the highlight of the year.

# The Stage Crew Does It Again!

## State Crew

"The boys on stage crew work harder for this one credit than probably any other class," said Mr. Bunn, adviser. "In the spring, they work several hours with the Minstrel Show each Sunday afternoon. They set up mixers in the field house, and work with all the cons and con practices. Few people realize just how much work these boys do."

Heading the stage crew as manager was Tom Lee. His assistant was Harold Hensley.

Left to Right: Mark Safranek, Dan Breedlove, Paul Peters, Dana Bradfute, Harold Hensley, Layne McGowan, Pat Mangione, Lee Smith, Mike Triplett, Pat Wood.

"We were partied to death!" said the junior Sunshine Girl Karen Jeffers. The Hi-Fives, Sunshine Girls, and Girls' Federation Officers got together frequently for morning breakfasts and potluck suppers.

The Sunshine Girls assisted with the Big and Little Sister Party. They send cheery get well and congratulation notes to LC girls and boys.

# Ti-Deca: Business Is Their Business

## Thespians

An all-school play, attendance at a Shakespearean Festival and a Christmas party were some of the activities of the Thespians, the drama club at LC.

The Thespians were led by Mrs. Carswell, adviser, and Ross Moat, president. A membership drive to get twelve new members, and raise the membership from eighteen to thirty members, was initiated in the spring semester.

"Up the Down Staircase," the all-school play, was presented in the spring.

Row 1: Karen Lundberg, Paulette Steen, Debbie Barnes, Ross Moat. Row 2: Kerry Van Veen, Jackie Garman, Lynnette Thomas, Debbie Root. Row 3: Fern Box.

## Ti-Deca

"The most rewarding aspect of being the adviser of Ti-Deca," said Mrs. Flora Gibbs, "is recommending a student to an employer and then later getting an exceptionally good report about the fine job he is doing."

The members, all seniors, are taking distributive education, and spend two periods every day learning many different aspects of business.

Ti-Deca members have early dismissal, and work after school on a job.

"Ti-Girls try harder," said Cathy Hunter, fall semester president.

Under the direction of Miss Virginia Danke and Miss Sonja Roach, this organization is famous for its lighted stunts and marching in the Lilac Parade.

The Ti-Girl Con was different this year. Instead of a talent con, an elaborate musical-comedy was viewed by the student body and parents. "The Pirates of Penzance," written approximately 100 years ago, tells of pirates and their sea adventures.

San Francisco was the destination of 92 girls during spring vacation. Class rivalry raised money for the trip with bottle drives, bake sales, and skating parties.

For the first time in the history of Ti-Girls, two spring presidents took the oath of office. Elections resulted in a tie, and Arlene Eagle and Betsy Keil were both proclaimed victors.

The Spokane Federation of Women's Organizations, Manito Lions, Northwest School Administrators Conference, the National Bank Women's District Banquet and the Student Nurses' Convention were just a few of the many functions at which the Tiger Tones performed. They displayed their talent at several school concerts also.

Mr. Hartley, adviser of the group, commented by saying, "These people should be commended for devoting their time toward futhering public relations between the school and community."

Handing out programs and collecting tickets, were the main activities of the Usherettes. The "new look" for the club was navy blue dresses with white collars and buttons.

Besides ushering for school events, the girls helped usher at the Minstrel Show and directed students who participated in the All-City Grade School Concert to their seats.

Presidents for the Usherettes were Betsy Long, fall; and Cecilia Olsen, spring. Mr. Marshall was adviser to the group this year.

## Tri-Sci

Sponsoring walkers in the HOPE Walk, a field trip to Pullman, and listening to Mr. Al Finley, head of the science department at Ferris, were a few of the projects that kept Tri-Sci active.

Other activities that kept the club interesting were science films, a variety of speakers, and plans to subscribe to various science periodicals for use at club meetings. The annual picnic with Math Club was held in late spring.

Joan Eilertsen served as president during the fall and Vance Cooney took over the duties in the spring. Mr. Donald Agost was the new adviser this year.

## Principal William E.L. Donner

"Born free, as free as the wind blows, as free as the grass grows, free to follow your heart." These lyrics from a modern ballad, like the theme of our 1970 TIGER, carry a message of hope for each of us.

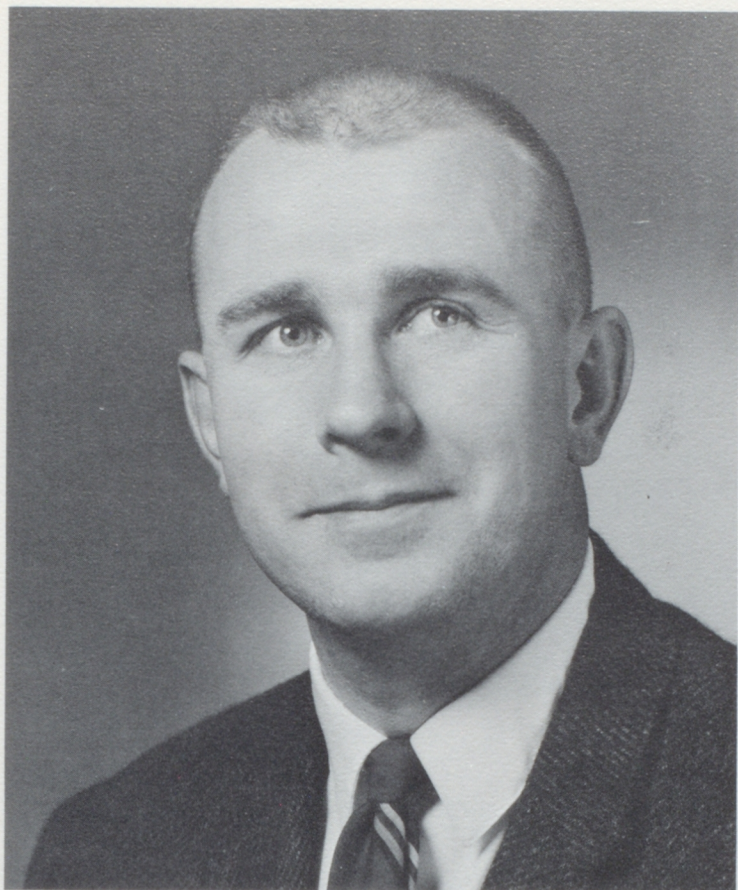

More than in any other nation on earth, we in America are born free. But, along with this rich legacy of freedom, each member in our society falls heir to certain responsibilities. The success of our way of life is dependent upon a balance between the two. If we, as individuals, and, as a nation, fail

to accept and meet our responsibilities, then we must stand ready to face some loss of freedom.

Students at Lewis and Clark High School enjoy a number of freedoms, and prove themselves justly deserving of them because the vast majority demonstrate their maturity through responsible attitudes and behavior. If each of you as a member of the class of 1970 extends this same degree of responsibility toward your role as a citizen of this nation, then I'm sure you will be "Free to follow your heart."

Mrs. Lois Knox and other English teachers planned a new curriculum to be affective during the next fall semester.

According to Mrs. Knox, the course will be an elective based on a nine-week grading period for sophomores, juniors, and seniors. It will give students more choice in deciding their areas of study and will strengthen their background in the humanities.

Most English teachers felt a definite need for changes in curriculum. Though not a replacement, the new program will be supplementary to basic English material. Essential to the success of the program is the idea that no longer will all students always do the same thing at the same time.

Lewis and Clark's History Department began an Afro-American history class last year. This particular course was again offered for juniors and seniors interested in learning and understanding the economic, political, and social conditions of the Negro American in contemporary United States.

Students also developed an understanding of how these conditions came about, as well as creating, developing, and activating the desire and will to aim for higher achievement.

Still on an experimental basis, Mr. Orlando Fletcher directed instruction for about 40 students. The complete course lasted for six weeks each semester and students could substitute the Afro-American history class for their regular history.

HERE IT IS ANOTHER JUNE

But there was never one like this for you,  
the members of the Class of '70.

You stand on the first of many pinnacles  
that will be coming in sight. No need to look  
back, that trail has been climbed.

Look at the horizon, those peaks are equally  
attainable.

Our AMX is our sports car - strictly two seater.  
It's the only American sports car in it's price  
range.

It's almost the only American sports car. The  
other one is the Chevrolet Corvette that lists for well  
over \$1,000 more.

The AMX gives you a big standard engine: our  
360 cu. in. V - 8. And standard dual exhausts, mag-  
style wheels, heavy duty springs and shocks.

Put a hand on the stick. It's an allsynchro 4-  
on-the-floor with short - throw Hurst linkage. Very  
effective, very smooth.

# A Dedication To William E.L. Donner

A friend, teacher, administrator, principal—a leader who deserves all the respect and admiration a graduating class, faculty, student body, parents, and alumni can bestow on him ...

Mr. William E.L. Donner—for seven years as a teacher, ten years as an administrator, and for the last five years as principal—has given all he can to his school, Lewis and Clark. He cares and understands.

His enthusiasm and spirit has been shown not only at the cons and Minstrel Shows, but at all the games and other extracurricular activities. He has backed LC and has led others in efforts to promote Tiger Pride.

Although his job was extremely demanding, he created an atmosphere of friendliness. As a leader he brought greater success to LC, and his presence will be missed in the halls of our school.

The best of luck to him and his family in the future.
